Before the Court is Lincoln Jones, Jr., Muyesser Nile Jones, and Project Sentinel, Inc.'s (collectively, "Plaintiffs") motion for limited extension of the discovery cutoff and relief from Local Rule 37-3. ECF No. 116. Plaintiffs' motion was filed on November 14, 2014, the discovery cutoff date. *See id.* The Court amends its prior order regarding Plaintiffs' motion, ECF No. 117, as follows:

In the parties' joint case management statement, filed on November 5, 2014, Plaintiffs did not request an extension of the discovery cutoff. Nor did Plaintiffs indicate that they intended to file a motion to extend the discovery cutoff. Because Plaintiffs did not include such information in

1 the joint case management statement, the Court continued the November 12, 2014 case  
2 management conference to March 4, 2015.

3 In light of the Thanksgiving holiday, the Court extends Defendant Travelers Casualty  
4 Insurance Company of America's deadline to file an opposition to Plaintiffs' motion from Monday,  
5 December 1, 2014 to Wednesday, December 3, 2014. Plaintiffs' Monday, December 8, 2014  
6 deadline to file a reply remains as set.

7 The February 12, 2015 hearing date for Plaintiffs' motion is hereby VACATED. Plaintiffs'  
8 motion shall be set for hearing on December 11, 2014, at 1:30 p.m.
